- Part No. /8050103

**Plus Series
 Unparalleled Durability
 and Price**

- **Extensive Reinforcement:** The Plus Series offers a great deal of Palm and Finger coverage, specifically the General Utility Plus and the Carpenter Plus. Further, the PVC based Asphalt Reinforcement Material is a tough, tacky, and supple reinforcement. This makes the gloves more dexterous, more durable and provides a more secure grip even in wet conditions.
- **Cuff:** All Plus Series gloves feature a FlexMesh™ cuff which is the most snug, supportive, protective, breathable and comfortable cuff closing system on the market. No continual adjusting and readjusting is needed with this system.
- **Thumb Cut:** AKA "English Thumb" – The most anatomically correct palm construction on the market prevents bunching between the thumb and index finger. The English Thumb is a 3-Dimensional design.
- **Streamlined Knuckle Protection:** Youngstown internalizes the knuckle protection on the back of the hand. Youngstown's internalized protection will NOT get "caught up" when reaching into a tool pouch or pocket, and provides great protection for the knuckle.

**General Utility
 Plus**

The General Utility Plus is a versatile, full-finger work glove made for abrasive tasks.

- Extensive asphalt reinforcement
- Full finger reinforcement
- Durable nylon fourchettes
- Internal knuckle protection
- Supportive FlexMesh™ cuff
- Part No. /8050302

Recommended Uses: Heavy Duty Work, Construction and Landscaping

Carpenter Plus

The Carpenter Plus is shortened on the middle fingers and thumb to provide fingertip dexterity.

- Dexterous 3-cut finger design
- Extensive asphalt reinforcement
- Durable nylon fourchettes
- Internal knuckle protection
- Supportive FlexMesh™ cuff
- Breathable synthetic leather palm
- Part No. /8050301

Recommended Uses: Carpentry, Assembly and Manufacturing

**Waterproof Winter
 Plus**

The Waterproof Winter Plus features a waterproof, windproof, breathable membrane, an insulating micro fleece liner and a durable outer shell.

- Waterproof, windproof, breathable membrane
- Insulating micro fleece liner
- Internal knuckle protection
- Supportive FlexMesh™ cuff with gusset
- Part No. /8050300

Recommended Uses: Cold Weather Work, Commercial Fishing and Logging, Snow and Ice Removal

Box Handler Plus

The Box Handler Plus is a tacky palm glove designed to provide a secure grip.

- Tacky palm grip
- GripFlex™ fingertip reinforcement
- Stretch nylon top of hand
- Durable nylon fourchettes
- Internal knuckle protection
- Supportive FlexMesh™ cuff
- Part No. /8050304

Recommended Uses: Package Delivery, Warehouse Tasks and Drywall Installation

Driver Plus

The Driver Plus features a water and oil resistant synthetic leather palm.

- All black stealth coloring
- Breathable, water and oil resistant, synthetic leather palm
- Stretch nylon top of hand
- Durable nylon fourchettes
- Internal knuckle protection
- Part No. /8050303

Recommended Uses: Driving, Equipment Operation, Gardening and Tactical/Law Enforcement
